

## **BEADEX® Brand** Paper Faced Metal Drywall Trims

---

### Lifetime Warranty

#### What is Covered?

---

CGC Inc. warrants that when applied to a sound structure using recommended application techniques as described below and in ETR-OT11W “BEADEX Brand Paper Faced Metal Drywall Trims... Installation Guide”, BEADEX Brand Paper Faced Metal Tape On Trims will not edge crack for the lifetime of the structure. Inside offset corners applied horizontally cannot be guaranteed against cracking. An example would be the apex of a vaulted ceiling. This warranty also does not cover BEADEX Brand Paper Faced Metal Nail On Trims.

#### Recommended Application Techniques

---

- Make sure wallboard is clean, firm and dry before applying corner bead and trim.
- Make sure that the steel bead or trim is wide enough to cover any gaps in the wallboard.
- Leave a 6 mm gap between the bottom edge of the corner bead or trim and the floor.
- Apply a full layer of taping joint compound beneath the bead or trim paper and steel.
- Make sure that taping coat is completely dry before applying additional coats.

#### What Will CGC Inc. Do?

---

If edge cracking should occur, CGC Inc. will at its option replace the material or refund the purchase price.

#### How Do I Get Service?

---

Within 30 days of the time you discover any problem with one of our products, write or call us, including a brief description of the problem. Also include any sales receipt, invoice or other evidence indicating the date of installation. Please send this to:

**CGC Inc.**  
350 Burnhamthorpe W., 5th Floor  
Mississauga, ON L5B 3J1

#### How Does Provincial Law Apply?

---

This warranty gives you specific legal rights, and you may also have other rights which vary from province to province.
